Day 3, October 10 – Tuesday: London This morning we travel to Windsor and enjoy a visit to Windsor Castle. Windsor is a town on the River Thames in southeast England, just west of London. It's home to Windsor Castle, a residence of the British Royal Family. Built by William The Conqueror in the 11th century, the castle was extensively remodeled by subsequent monarchs. Public tours take in the State Apartments, which contain opulent furnishings, and paintings from the royal art collection. **Windsor Castle**, a royal stronghold built above the River Thames on the site of an Anglo-Saxon fort. The castle, one of England's largest and most historic Royal residences, now could be home to King Charles. See the magnificent State Apartments, containing many great works of art; St. George's Chapel - the burial place of Kings and Queens and the irresistible Queen Mary's Dolls House exquisitely perfect to the tiniest detail. Return to London **Overnight The Novotel West Hotel. Dinner is on your own**

Day 4, October 11 – Wednesday: London-Salisbury-Stonehenge-Bath. After breakfast we depart London. Then it's on to Salisbury where we'll visit the finest medieval Cathedral in Britain. In the Chapter House you will see the Magna Carta, the famous agreement made between King John and his barons in 1215. We depart and head to Stonehenge. 5,000 years ago, these huge 40-ton rocks were dragged to the lonely, windy plain of Salisbury hill. In 2020 they found several deep pits at the site of Stonehenge. Now scientific tests have proved that those gaping pits, each aligned to form a circle spanning 1.2 miles (2km) in diameter, were definitely human-made, dug into the sacred landscape almost 4,500 years ago. You can find more info on: [New tests show neolithic pits near Stonehenge were human-made | Archaeology | The Guardian](#) You'll get time to learn more about this iconic monument steeped in mystery and legend! It is then bath to Bath **Overnight Doubletree by Hilton Bath Dinner at Hotel.**

Day 5, October 12 – Thursday: Bath Today we enjoy a walking tour of Bath. The Spa town of Bath is regarded as the best-preserved Georgian city in Britain built among the trees and hillsides of the Avon Valley. A UNESCO world heritage site, Bath is home to endless rows and terraces of grand Georgian architecture such as the Royal Crescent overlooking open garden squares. We enjoy a visit to the marvelously preserved Roman Temple, Baths, and Pump Room. Afternoon free **Overnight Doubletree by Hilton Bath. Dinner is on your own.**

Day 6, October 13 – Friday: Bath-Glastonbury-Newquay Glastonbury where you may wish to visit **Glastonbury Abbey** is set in 37 acres of beautifully peaceful parkland in the centre of the ancient market town of Glastonbury. It is traditionally the first Christian sanctuary in Great Britain, visited, so legend has it, by Joseph of Arimathea and Saints David & Patrick. Many believe that the Holy Thorn tree that can be seen in the grounds originated from Joseph of Arimathea's staff and others are convinced that King Arthur was buried in the Abbey beside his lovely wife Queen Guinevere. For the pilgrim, the landscape of Avalon is a treasure trove where sacred sites abound. We enjoy a visit to **Lanhydrock House**, the perfect country house and estate, with the feel of a wealthy but unpretentious family home. Discover two sides of Victorian life: from the kitchens, nurseries, and servants' quarters, which offer a thrilling glimpse into life 'below stairs', to the luxurious family areas, elegant dining room and spacious bedrooms which reveal the comforts of 'upstairs' living. Experience the heyday of the Agar-Robartes family, who made Lanhydrock their home, and discover how their fortunes changed during the First World War. Continue to Newquay. **Overnight Fistril Beach Hotel. Dinner at Hotel. (This is a long day)**

Gloucester Cathedral is one of Britain's greatest buildings, representing over 1,300 years of Christian faith and heritage. The monks who first lived and worshipped here followed The Rule of St Benedict which teaches that all should be welcomed as Christ himself. **Chipping Campden** - A wonderful example of an historic old Cotswold wool market town unspoiled by the passing of time, with an original market building dating back over 900 years. **Broadway Tower** - Originally built as a Folly on an old beacon site, Broadway Tower has a colourful past! Overlooking the picturesque village of Broadway, there are magnificent views across 13 counties. It is onto **Bourton-on-the-Water**, located in the Cotswolds, within the heart of England, famous for its honey-coloured stone architecture and idyllic village scenes. Known as the Venice of the Cotswolds, this one village offers a wealth of attractions and shops, restaurants, cafes, and tea rooms. Or simply the space for you to enjoy some pleasurable time engrossed by the movement of the sparkling waters of the River Windrush, spanned by its five arched bridges. **Overnight Doubletree by Hilton Cheltenham. The cathedral, formerly the abbey church of a Benedictine monastery dedicated to Saint Werburgh, is dedicated to Christ and the Blessed Virgin Mary. Since 1541, it has been the seat of the Bishop of Chester. Continue to Llandudno. Llandudno was specifically built as a mid-Victorian era holiday destination and is served by a branch railway line opened in 1858 from Llandudno Junction with stations at Deganwy and Llandudno. **Overnight Llandudno Bay Hotel. Dinner at Hotel.**

Day 11, October 18 – Wednesday: LLandudno-Liverpool.

This morning we visit Caernafon Castle. There was a motte-and-bailey castle in the town of Caernafon from the late 11th century until 1283 when King Edward I of England began replacing it with the current **Caernafon Castle**. The lure of water and easy access to the sea made the banks of the River Seiont an ideal defensive location and he created one of the most impressive of Wales's castles now suitably crowned with World Heritage status. The Edwardian town and castle functioned as the administrative centre of north Wales and as a result the defenses were built on a grand scale. This stunning and unusually styled Castle with its polygonal towers is a must to see. This afternoon we enjoy a **train ride up Snowdon Mountain**. Continue to Liverpool. **Overnight Novotel Liverpool City Center. Dinner is on your own.**
